HINSDALE CENTRAL HIGH SCHOOL

“IT’S A GREAT DAY TO BE A RED DEVIL” CHAMPAGNE BRUNCH

Dear Friends,

“It’s a Great Day to be a Red Devil” is an exciting fundraising venture hosted by The Hinsdale Central High School Booster Club. The Champagne Brunch will be held on Sunday, March 7th, 2010 at the **Burr Ridge Marriott** from 11 a.m. to 2 p.m.

The Booster Club sponsors some of the “extras” in extra-curricular activities beyond that which school budgets and paid staff advisors can provide. Our mission is to provide needed funding to enhance both the academic and athletic opportunities for current and future students at Hinsdale Central. In the past, The Booster Club has provided funding for **Habitat for Humanity, Broadcast Club, Peer Leadership, 24-Hour Relay, Spring Musical, Forensics, as well assistance to many athletic teams... to name a few!**

Raising funds for the various clubs, organizations, and athletic teams will continue to place Hinsdale Central in the forefront as the outstanding institution it is today. The students that comprise Hinsdale Central will be the future leaders of tomorrow. Our hope is to grant every student the opportunity to participate and excel through activities at Hinsdale Central. In order to ensure the high standard of excellence for our students, we are asking for your support.

During the brunch, The Booster Club will be sponsoring a **Silent Auction and Red Devil Raffle**. Over 2500 community leaders, staff members and parents will be invited to our 2nd annual fundraiser. We want this to be a community-wide event and it can only be a success with your support! Please consider a donation for our **Silent Auction or Red Devil Raffle**. In return, your company’s name will be displayed on our website, recognized in the paper, in our program book and throughout the day of the auction.

Attached you will find detailed information that can be returned to us at your earliest convenience. If you have further questions, please don’t hesitate to contact us at 630-408-4680. We greatly appreciate any type of support for:
