

Who Makes a Difference?

To reward acts of kindness, and to be sure “going the extra mile” does not go unnoticed, the Hinsdale Central PTO sponsors **MAKE A DIFFERENCE** awards.

Kind acts by teachers, librarians, counselors, coaches, and staff are abundant in our school. So, in celebration of these generous individuals, we invite you to nominate someone whose actions have been a positive force in your life, or that of a student at Hinsdale Central. When describing why this individual deserves the award, please be as specific as possible. Although applications must be signed, those who submit nominations will remain anonymous.

Twenty-four awards (six each quarter) will be made during the calendar school year with the winners receiving Lettuce Entertain You® dining certificates so they may enjoy a celebratory meal at the restaurant of their choice.
